

CfP 2012 FIRST – French-Italian Rice Science and Technology Initiative

APPLICATIONS

PROJECT ID	LEAD ORGANIZATIONS	PARTNERS	PROJECT TITLE	REQUESTED GRANT
1201-01	Università degli Studi di Milano INRA - UMR BGPI	LMI-Rice, Agricultural Genetics Institute (Vietnam) UMR AGAP IBBA-CNR CIAT (Colombia)	Connecting biologies on rice disease resistance, drought tolerance and flowering time (Rice connections)	592.781 €
1201-02	Università del Piemonte Orientale UMR LSTM	IRD- Environmental Microbial Genomics Group, Laboratoire AMPERE Ecole Centrale de Lyon UMR DIADE Università del Piemonte Orientale Università di Torino Institute of Agricultural Research for Development (IRAD) Africa Rice (Benin)	An INTEGRATED platform to study the effect of environmental parameters and beneficial microorganisms on nutritional quality, safety and economic value of RICE in African countries and to develop novel technologies (INTERice)	740.860 €
1201-03	Scuola Superiore Sant'Anna UMR LGDP	UMR DIADE Africa Rice (Benin) IRRI (Philippine)	EXPloiting ePIgenetic diversity for Rice improvement (EXPIR)	565.632 €

1201-04	Università degli Studi di Milano IRD - UMR DIADE	Agricultural Genetics Institute Nat. Key Lab for Plant Cell Biotechnology (Vietnam) CIAT (Colombia)	Studying the evolution of reproductive development in the Oryza genus for the improvement of modern cultivated rice (EVOREPRICE)	479.613 €
1201-05	Università degli Studi di Milano UMR AGAP	UMR BPMP Centre de Biotechnologie de Sfax University of Sciences and Techniques of Hanoi	Plant tolerance to salinity : a CELL Specific Approach in Rice (CESARI)	581.526 €
1201-06	Parco Tecnologico Padano CIRAD - UMR AGAP	Centre National de Recherche appliquée au Développement Rural (Fofifa - Vietnam) UMR AGAP, UMR QUALISUD UPR SCA IRRI (Philippine)	Genomic Selection for Resources USE efficiency in rice (GS Ruse)	639.514 €
1201-07	Università del Piemonte Orientale UMR RPB	UMR DIADE, BGPI, AGAP Universita del Piemonte Orientale Parco Tecnologico Padano Universita di Torino Africa Rice (Benin)	Durable and Assorted disease RESistance and seed health for African rice (DARE)	748.602 €
1201-08	Università degli Studi di Milano INRA - UMR INNOVATION	UMR EMMAH IREA-CNR Université d'Antananarivo (Madagascar) Makeni University (Sierra Leone) Africa Rice (Benin)	Scenario integrated assessment for sustainable rice production systems. Exploring plausible, probable and possible futures for sustainable rice production systems (SCENARICE)	497.000 €
